

## Product Description

- **Medical Compression Garments:** This product is designed to provide medical-grade compression, helping to improve circulation and reduce swelling in the legs. It is ideal for individuals with more moderate leg health issues, such as varicose veins, edema, and chronic venous insufficiency.

## SELECT SHEER 20-30 PANTYHOSE COMPRESSION STOCKINGS

**Key Features:** These stockings are made from a soft, breathable fabric that provides gentle pressure to the legs. They are designed to be comfortable and easy to wear, making them a practical choice for daily use. The product is available in various sizes to fit different leg dimensions.
